# Leadership & Team

**Jamie Lee Mayall**

International Partner & Advisor

Jamie Mayall brings the weight of British credibility and international business acumen to the leadership board of Visaa.co. A successful business owner in the UAE and a UK native, Jamie plays a critical role in establishing our footprint in the European and British markets. His expertise in business processes and his academic background from Canterbury Christ Church University ensure that our consultancy adheres to strict international quality benchmarks. Jamie's strategic oversight creates a trusted pathway for students aiming for the UK, Europe, and beyond.

**Syed Danish Ali Zaidi**

Founder & Director

With a dual background in Management Information Systems (MBA) and Arts, Danish is redefining how educational consultancy operates in Pakistan. His extensive career spans over a decade, including 8 pivotal years managing corporate IT infrastructure in the UAE. This international exposure drives his vision for Visaa.co—transforming it from a traditional agency into a modern, tech-enabled platform. Danish leads the company with a focus on ethical practices, student-centric policies, and building long-term B2B partnerships with global institutions.

Bridging the gap  
between ambition and  
global reality.

**WHY  
PARTNER  
WITH US?**

### **1. Global Credibility**

Backed by a strong leadership presence in Pakistan, UAE, and the UK, we offer a legitimately international consultancy experience with direct access to global institutions.

### **2. 100% Transparency Policy**

We have zero tolerance for hidden costs. From university selection to visa filing, our process is documented, legal, and crystal clear. You know exactly what you are paying for.

### **3. High Success Rate**

We don't gamble with your future. Our team performs rigorous pre-assessment checks to ensure your profile meets strict embassy standards before we even file the application.

### **4. End-to-End Support**

Our relationship doesn't end at the visa stamp. We provide complete guidance on travel, accommodation, and post-arrival settlement to ensure you land with confidence.

# Study Abroad Solutions

## Designing Global Career Paths for Future Leaders.

# Your Journey To Global Education

A simplified 5-step process from Karachi to Campus.

## Step 01: Free Profile Assessment

We evaluate your academic background and suggest the best countries and universities that match your budget.

## Step 02: Admission Security

Our team prepares your application and applies to universities on your behalf to secure an unconditional offer letter.

## Step 03: Financial & Legal Guidance

We assist with Blocked Accounts (Germany), bank statements, and sponsor affidavits to ensure your financial case is strong.

## Step 04: Visa Filing & Interview Prep

We review your visa application for errors and conduct mock interviews (if required) to boost your confidence before the embassy meeting.

## Step 05: Pre-Departure Briefing

Once the visa is stamped, we guide you on flights, accommodation, and what to pack for your new life abroad.
